DETAILED ACTION

Allowable Subject Matter

1. **Claims 1-76** are allowed.

The following is an examiner's statement of reasons for allowance:

Terminal disclaimer filed by Applicant on 10/11/05 has overcome the rejection in the Office Action mailed 04/18/05 and the Application is in condition for allowance.

The present invention comprises a communication system and network to adaptively retrieving of data for sending and receiving personalized information from a communication device. Each independent claim identifies the uniquely distinct features for a communication system, server, communication device, and method for "a communication device comprising ... an augmenter for generating the augmented data utilizing the preference data, the current selection preference, and the positioning data," and "a server...the server receiving the augmented data from the communication device and sending the service response data in response to the augmented data." As recited in the claims, augmented data is created by the combination of preference data, position data and a current selection by the user. The closest prior art, Fan (US 5,959,577) and Hobbs (US 5,987,454) disclose position and travel related information that can be requested and transfer to a user of a mobile

station in a conventional communication networks, either singularly or in combination, fail to anticipate or render the above underlined limitations obvious.

Claims 2-6 are allowed as being depended upon independent claim 1.

Claims 8-15 are allowed as being depended upon independent claim 7.

Claims 17-22 are allowed as being depended upon independent claim 16.

Claims 24-25 are allowed as being depended upon independent claim 23.

Claims 27-31 are allowed as being depended upon independent claim 26.

Claims 33-39 are allowed as being depended upon independent claim 32.

Claims 41-46 are allowed as being depended upon independent claim 40.

Claims 48-54 are allowed as being depended upon independent claim 47.

Claims 56-60 are allowed as being depended upon independent claim 55.

Claims 62-66 are allowed as being depended upon independent claim 61.

Claims 68-76 are allowed as being depended upon independent claim 67.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
